Dusty James & Abalone Pearl

Both Dusty and Pearl began playing as teens in folk venues and coffee houses where they honed their instrumental skills and the art of crafting tight vocal harmonies. The styles are varied and include traditional folk, roots, singer-songwriter, acoustic pop, classic country, Americana, original songs and surprises. They invite the audience in by conveying the joy that goes with performing tunes that hold special significance for them. The duo was named top finalists in the 2021 Great American Song Contest for the lyrics to “Here You See Me Standing” and were named top finalists again in the 2023 contest for the lyrics and melody to the same song. In the 2025 Great American Song Contest, they were again named as Top Finalists for their newest song, “Mia”.
